

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

SONG NETS

*Song nets,
I weave you with all my love.
You glitter like pearls and rubies,
In you I catch songs like butterflies.
You go past my reaching hand
With a thin gauzy floating,
And the songs are caught
Before they fade away.
Last night
My hand caught a song
Of pines and quiet rivers:
I shall keep it forever.*

SNOW MORNING

Morning is a picture again,
With snow-puffed branches
Out of the wind;
With the sky caught like a blue feather
In the butternut tree.
I cannot see the world behind the snow;
But when I look into my mind,
There, with all its people and colors,
The world sits smiling
Quite warm and cosy.
